STEP- 5: Timing of the Event - TRANSIT

- A) In the finalized DBA, Decide on SUN's transit. Sun should transit through common strong Significators. Fix Sign Lord of Sun then Starlord and then the Sublord. A period of about 14 days can be decided by fixing the star.
- B) Transit of Moon in the above 14 days in the common strong Significators will finalize a period of one day when Moon's sign and star is fixed.
- C) Lagna transit in the common strongest Significators will decide the event for hours and minutes of happening of the event- Check only if it is necessary else Step 5A or B is enough.
- D) Transit of Dasa Lord and Bhukti Lord to be checked if they also transit through the common Significators.
